Facility/Permit 15-AA-0059

SOLID WASTE FACILITY PERMIT

16. Self-Monitoring:

a. Results of all self-monitoring programs, as described in the Report of Facility Information, will be reported in a format approved by the LEA, as follows:

| Program | Denoving Programme | | |
|---|-------------------------------------|---------------------|--|
| Program | Reporting Frequency | Agency Reported To: | |
| Special Occurrence Log. Maintain a log of special occurrences and verbally report major incidents such as: fire, earth slides, unusual and sudden settlements, explosions, discharges of hazardous or unpermitted waste, significant accidents involving injury. | WITHIN 24 HOURS | | |
| Complaint Record. Maintain a readily accessible written record of any nuisance, public health or safety complaint, and general operational complaint, for inspection and review by the KCEHSD. | NONE | | |
| Submit a report of actions taken by the operator to remedy or correct any major incidents such as a fire, earth slides unusual and sudden settlement, explosion, discharge of hazardous or unpermitted waste, significant accidents involving injury. | WITHIN THIRTY (30) CALENDAR DAYS | | |
| Summary of the results of the operator's load check and hazardous waste screening program, including the quantities and types of hazardous wastes found in the waste stream and the disposition of these materials. Summary of the results of the operator's methane gas monitoring program. | QUARTERLY | KCEHSD | |
| Summary of the quantities and types of wastes received. | | | |
| Monthly summary of the number and type of vehicles utilizing the site. Monthly summary of the tonnage report. | ANNUALLY ON APRIL 1 FOR THE PRIOR | | |
| A summary of the special occurances log by type of incident. | CALENDAR YEAR | | |
| Summary of the quantities and types of goods diverted. | | · | |

SOLID WASTE FACILITY PERMIT

Facility/Permit 15-AA-0059

LEA Conditions

17.

- 1. This facility shall be operated in compliance with State Minimum Standards for solid waste handling and disposal.
- 2. This facility shall be in compliance with federal, state, and local requirements and enactments, including mitigation measures given in any certified applicable document filed pursuant to Public Resources Code, Section 21081.6.
- 3. Additional information concerning the design and operation of this facility shall be furnished upon written request of the LEA.
- 4. Site access shall be granted for the purpose of inspection without prior notification to the LEA or other agencies conditioning this permit.
- 5. The operator shall notify the LEA, in writing, of any proposed changes in the routine facility operation or changes in facility design during the planning stages. In no case shall the operator undertake any changes unless the operator first submits to the LEA a notice of said changes at least 120 days before said changes are undertaken. Any significant change as determined by the LEA would require a revision of this permit.
- 6. This facility shall be operated so as to not emit air pollutants sufficient to cause a public or health nuisance or health hazard (KCAPCD Rule 419 and California Health and Safety Code, Section 41700).
- 7. In the event of unforeseen accidental release of hazardous waste, handling operations shall be in compliance with Title 22, California Code of Regulations (CCR), Chapter 30.
- 8. The Local Enforcement Agency (LEA) through this Solid Waste Facilities Permit, may prohibit or condition the handling or disposal of solid wastes to protect the public health and safety, protect and rehabilitate, or enhance the environment, or to mitigate adverse environmental impacts.
- 9. The operator shall maintain a copy of this permit at the facility so as to be available at all times to facility personnel and to Enforcement Agencies' personnel.
- 10. The LEA reserves the right to suspend or modify waste receiving operations when deemed necessary due to an emergency, a potential health hazard or the creation of a public nuisance.
- 11. The owner or operator shall record and retain at the office an operating record as per Title 14, CCR, Chapter 3, Article 4.5, Section 17258.29.
- 12. Alternative Daily Cover will be applied in a manner consistent with an approved pilot study. Changes to the Alternative Daily Cover application shall be reviewed by the LEA prior to implementation. Upon the adoption of Alternative Daily Cover minimum standards. Alternative Daily Cover will be applied in a manner consistent with said regulations.
- 13. The storage of tires shall be consistent with Section 17355, Title 14, CCR.
